

# 7-1-7 Bottleneck Categorization and Longer-Term Planning activity

## Scenario set #4

### Instructions

In your group...

- Read through the following scenario.
- Review the '7-1-7 Bottleneck Categories' guidance.
- What bottleneck category is represented by the scenario below?
- On a flipchart or other designated area, please:
  - Identify longer-term action(s) to address the bottleneck
  - Brainstorm a plan for inclusion in national planning and/or funding opportunities
  - Brainstorm a plan for advocacy, as needed

### Scenario

Maritonia analyzed 7-1-7 data from 21 outbreaks. Maritonia is a country with massive wealth disparity. The wealthy tend to receive care in the private sector that uses a private laboratory system. The labs do not report into the national systems.
