

After Action Review

Unknown GI outbreak at a shelter

**Date of
emergence**
22 Nov 2021

Lunch was served by a caterer at 13h15 on November 22nd, 2021

**Date of
detection**
22 Nov 2021

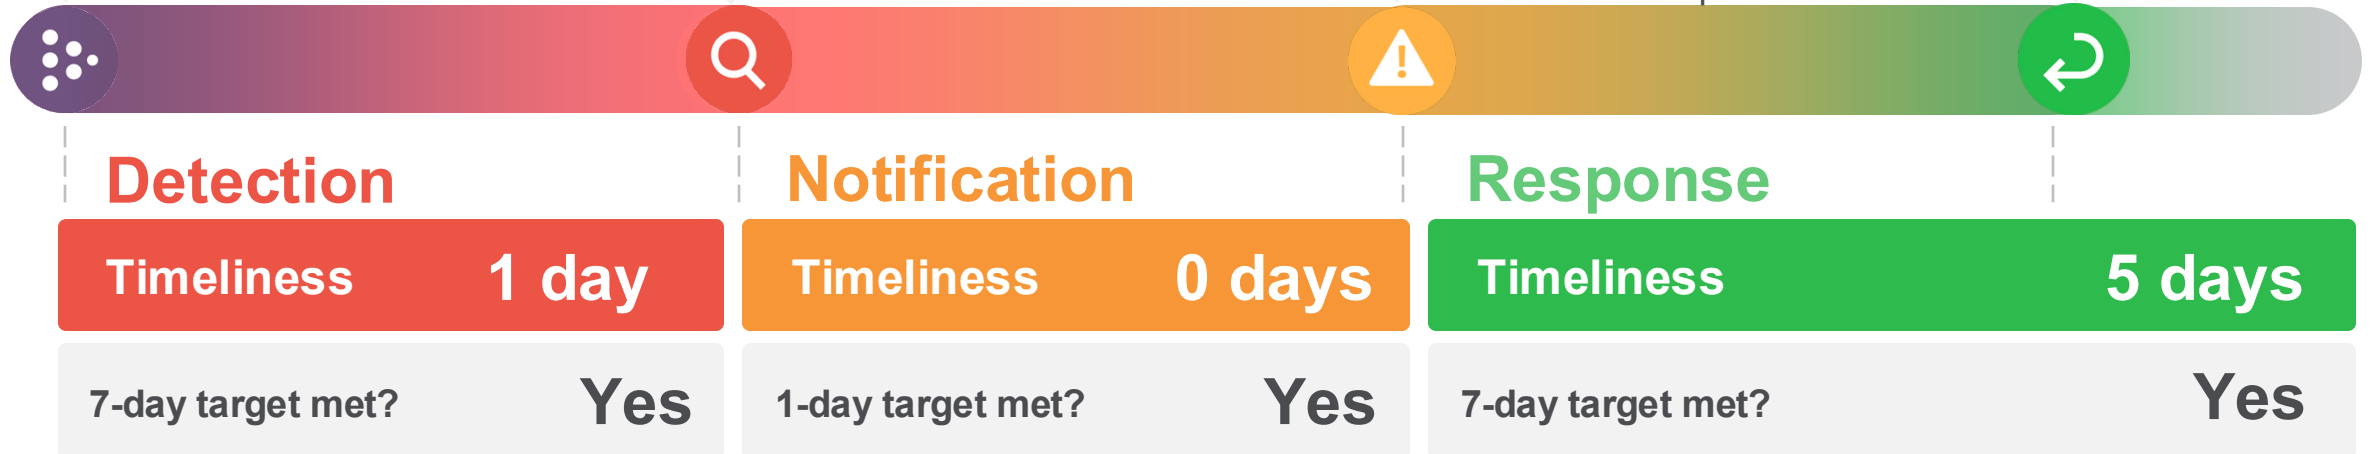

Shelter staff called EMS services when appx 20 individuals started vomiting within an hour after lunch

**Date of
notification**
22 Nov 2021

EMS notified LHD after arriving on scene and identifying 20+ individuals with severe gastrointestinal symptoms

**Date of early
response completion**
27 Nov 2021

- On Nov 22nd, LHD staff went to the shelter due to the number and severity of illness being reported
- Case and contact investigations began for 73 exposed individuals on Nov 22nd
- Food and environmental samples were collected on Nov 22nd for testing
- The unlicensed caterer was replaced with a licensed catering company on Nov 23rd
- The unlicensed caterer received an environmental assessment, cleaning recommendations, and education to prevent foodborne illnesses

Early response actions

- | | | |
|---|--|------------|
| 1 | Initiate investigation or deploy investigation/response team | 11/22/2021 |
| 2 | Conduct epidemiologic analysis of burden, severity and risk factors, and perform initial risk assessment | 11/23/2021 |
| 3 | Obtain laboratory confirmation of the outbreak etiology | 11/24/2021 |
| 4 | Initiate appropriate case management and IPC measures in health facilities | 11/23/2021 |
| 5 | Initiate appropriate public health countermeasures in affected communities | 11/26/2021 |
| 6 | Initiate appropriate risk communication and community engagement activities | 11/23/2021 |
| 7 | Establish a coordination mechanism | 11/22/2021 |

Date of early response completion: date on which all applicable early response actions were completed

Immediate actions

Actions for immediate implementation (e.g., where resources are available or anticipated).

	Proposed action	Bottleneck addressed	Responsible authority	Target start date	Target end date
1	Get menu for each meals prior to arrival	Information gathering		DD MMM YYYY	DD MMM YYYY
2	Digitalized and pre-made survey/questionnaire	Survey needed to be created		DD MMM YYYY	DD MMM YYYY
3	Public outreach/education on social media/posters	Lack of educational materials		DD MMM YYYY	DD MMM YYYY
4	Education on who to report guidance			DD MMM YYYY	DD MMM YYYY

Longer-term actions

Actions for longer-term planning and funding (e.g., through planning and budget cycles)

	Proposed action	Bottleneck addressed	Responsible authority	Opportunities for planning and funding (e.g., incorporate in NAPHS, funding proposals)
1	Cooperate with the police and shelter to ensure proper notification	Notification	LHD/Police/ Shelter	
2	New programs for surveys and surveying protocols (electronic)	Respond	LHD	
3	Ensure better interpreter systems capable of handling multiple interviews	Respond	LHD
